

# Downloading the eBook - Step by Step Guide

This guide uses illustrations taken from Windows XP and the Opera browser so some of the windows shown here may look different on your computer

## Step 1 – Make sure you have a high speed connection to the Internet

If you have a high speed connection to the Internet (i.e. broadband) **go to step 2 or 3.**

If you do not have a high speed connection it may be difficult to download the eBook. Ask a friend with a high speed connection to download it for you and save it to a memory stick or CD. Transfer it to the hard drive of your computer before you open it.

## Step 2 – (Mac users only) Switch to Windows using Boot Camp

Mac users may be able to run Windows using Boot Camp. For more information about this locate the note about Mac users on the right hand panel of the **Print Rules** page and click on “*More Information*” and “*Windows on a Mac Video*”.

## Step 3 – Make sure that you have administrative authority

If there is **only one** account set up on your computer then you are OK. Close the window and **go to step 5.**

Check that your account type is **Computer Administrator**. If it is, close the window and **go to step 5.**

## Step 4 – Logon to a Computer Administrator account

This helps you to get over problems with aggressive firewalls that try to block **Secure-eBook** and will also allow you to install Adobe Reader, should you need to.

## Step 5 – Check that you have the correct version of Adobe Reader

In Adobe Reader, click on the **Help menu / About Adobe Reader** to find the version number.

This shows Adobe Reader version number 9.1

If it is **version 5.0 or later**, you have the correct version. Close the window and **go to step 8.**

## Step 6 – Uninstall Adobe Reader

Select **Adobe Reader** and then click the **Remove** button.

Follow the instructions then restart your computer.

## Step 7 – Install the latest version of Adobe Reader

Click on **Download Adobe Reader** button in the right hand panel of the **Print Rules** page.

Follow the installation instructions then restart your computer if requested. Run Adobe Reader and accept the licence agreement.

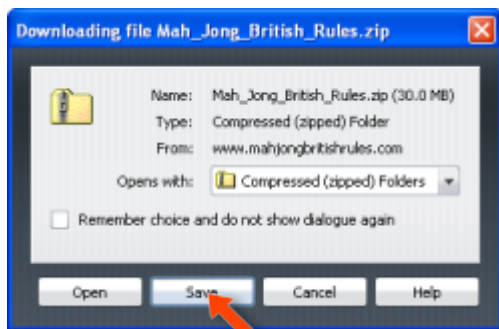

## Step 8 – Download and save the sample eBook

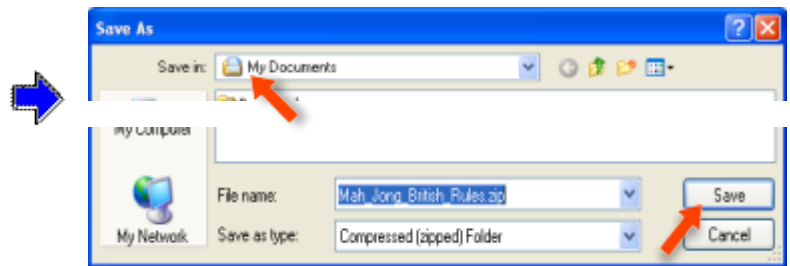

Click on **Free download of sample eBook** button on the **Print Rules** page.

When the **Downloading file** pop-up appears click on **Save**.

You will see a **Save As** pop-up. Locate **My Documents** and click on **Save**.
